Dear Peter,

We are delighted to be filming scenes for our mini-series "Brides of Christ" at Presbyterian Ladies College. "Brides of Christ" is being co-produced by the ABC and Roadshow Coote and Carroll. This six hour series tells the story of Catherine, Paul and Ambrose. They are nuns. Rosemary, Frances and Brigid are their students. The tales of "Brides of Christ" provides an affecting encounter with a group of unforgettable women.

The cast features Brenda Fricker and Sandy Gore and will be directed by Ken Cameron whose credits include "The Umbrella Woman" and "Bangkok Hilton".

We have scheduled to film at Presbyterian Ladies College on Tuesday 8th and Wednesday 9th January. The first day we would like to spend in the Marden Library and the second day in the School Hall.

The Art Department would need access on Monday 7th to pre-dress these two areas. Our Art Department have requested permission to move your archival displays. They will be returned to their original positions once filming has been completed. They take polaroids before anything is moved and are very accurate in handling papers of this nature. Can you pass on this request for us?

At this stage the dates are definite, however if we find we need to re-schedule because of unforeseen problems such as availability of actors, we will of course discuss any changes with you well in advance of the above dates.

I will be requesting your permission to bring in another twenty crew members during the week commencing 3rd September for a final recce before we commence filming.

We anticipate a start time of 6.00am for the Art Department, Make-Up and Wardrobe with the main crew arriving at 7.00am for an eleven hour day. There will be approximately forty crew members involved plus cast and extras. They are all accustomed to filming in locations like Presbyterian Ladies College. Please don't be alarmed by the amount of equipment used. It does look staggering to the uninitiated!

The crew will be asked not to smoke, eat and drink inside School property. All rubbish will be removed at the end of each day. If there are any specific conditions you would like us to observe please let me know. Would it be possible to find some rooms for the cast to relax in during their breaks? We can discuss this on my next visit.

I have enclosed two copies of our Standard Location Agreement and details of Public Liability Insurance for \$5 million. Could you sign them and return one to me. I will have a cheque for \$1,000.00 for you on the first day of filming.

May I take this opportunity to thank you for your permission allowing us to film at Presbyterian Ladies College and also for your kind assistance with this program.

We are looking forward to a very successful shoot with you.

Yours faithfully,

  
Trisha Rothkrans  
Location Manager
